Time: Evenings, 6:30-8:30 PM CST

Location: Virtual

Total hours: 12.0

Cost: \$25

Instructor: Kristy Dedon

Do you want to learn Cued Speech? This class introduces the handshapes and vowel placements of Cued American English. Participants will leave this class with an introduction to start cueing single words, short phrases, and sentences. Participants should plan to attend all sessions.

Educational Objectives: Participants will identify 8 handshapes and 4 placements that represent corresponding phonemes, will identify open, round, and flat mouthshapes, and will demonstrate understanding by performing appropriate combinations of handshapes, mouthshapes, and placements.

Skills Practice Class

Tuesdays: November 7, 14, and 21, 2023. *Please register by Oct. 31, 2023.*

Time: Evenings, 6:00-8:00 PM CST

Location: Virtual

Total hours: 6.0

Cost: \$25

Instructor: Anne Neppi

This class will provide practice with cueing words, phrases, and sentences as participants continue to work towards developing cueing fluency.

Educational Objectives: Participants will perform appropriate combinations of cues that represent accurate phonemes, will demonstrate liaisons and flicks as needed, will identify corresponding phonemes of open, round, and flat mouthshapes while cue reading, and will demonstrate appropriate facial expression and parsing to match meaning intent.
